Our firm offers the following principal investment advisory services to retail investors.

Our firm provides investment discretion for the following services. If you invest on a discretionary basis, our firm will buy and sell investments in your accounts without requiring your pre-approval on an ongoing basis until you notify us in writing to switch.

- Portfolio management—our firm does not monitor your accounts.
- Buying and selling securities—our firm does not monitor your accounts.
- Investment recommendations—our firm does not monitor your accounts.
- Personal investment strategies—our firm does not monitor your accounts.

For additional information including minimum investment amounts, please see www.archerinvestment.com for our Form ADV, 2A brochure (Items 4 and 7 of Part 2A or Items 4.A. and 5 of Part 2A Appendix 1).

Conversation starters. *Ask your financial professional:*

– *Given my financial situation, should I choose an investment advisory service? Why or why not? How will you choose investments to recommend to me?*

– *What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?*

Item 3 Fees, Costs, Conflicts and Standard of Conflict

What fees will I pay?

Our fees can be assessed quarterly and are disclosed in our Form ADV Part 1A, Item 5.E. and more fully described in our Form ADV Part 2A, Items 5.A., B., C., and D. Some fees create a conflict of interest described below and in more detail in our Firm's Part 2A.

- If our firm charges you asset based fees, more assets in the account will cause you to pay more in fees and therefore we may have an incentive to encourage you to increase the amount of money invested in those accounts.

There are other fees and costs related to our investment advisory services and investments in addition to the principal fees and costs listed above that you will pay directly or indirectly. Examples of the most common fees and costs are mutual fund fees.

Additional Information:

You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

For more detailed information about our fees and costs please review our Form ADV, Part 2A brochure (specifically Items 5.A., B., C., and D.) which can be found at www.archerinvestment.com.

Conversation starters. *Ask your financial professional:*

– *Help me understand how these fees and costs might affect my investments. If I give you \$10,000 to invest, how much will go to fees and costs, and how much will be invested for me?*

What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. Here are examples to help you understand what this means.

- Our firm offers our own proprietary products and therefore has a financial interest in the sales of these products.

Conversation starters. Ask your financial professional:

– How might your conflicts of interest affect me, and how will you address them?

Additional information:

For more detailed information about our fees and costs please review our Form ADV, Part 2A brochure (specifically Items 5.A., B., C., and D.) which can be found at www.archerinvestment.com.

How do your financial professionals make money?

- We pay our professionals based on the amount of advisory fees collected from the accounts we manage. The more assets they manage, the more they will make. Our professionals are paid a percentage of the asset management fees collected from the accounts Archer manages.

Item 4 Disciplinary History

Do you or your financial professionals have legal or disciplinary history?

Our firm has no disciplinary history. Visit Investor.gov/CRS for a free and simple search tool to research our firm and our financial professionals.

Conversation Starters. Ask your financial professional:

– As a financial professional, do you have any disciplinary history? For what type of conduct?
