

Looking to save on your 2018 tax bill?

Archer Investment Corporation works closely with CPAs and accountants to help you keep more of what you make. Archer was founded by Troy Patton, CPA and specializes in retirement accounts such as 401K rollovers, starter IRAs, SEP IRAs, Simple Plans, and Solo 401Ks.

Perhaps the most important aspect of investing is understanding your Risk Tolerance. Archer works with every client to determine their specific 'Risk Score' and customizes an actively managed portfolio according to the needs of the individual. Our portfolios consist of no-load mutual funds and ETFs, giving each client proper diversification in a low cost, client friendly manner.

Please speak with your tax professional and call Archer Investment Corporation at (800)581-1780 for a portfolio review or to start a new account.
